

**Isle of Wight Ladies Golf Association
2026 Foursomes League Competition**

It was another exciting finish to this year's interclub matchplay Foursome's competition.

Six island teams took part over five weeks, with Freshwater Bay ladies building up an unassailable lead going into the final day however the runner up place was up for grabs with four teams in contention. This result was not decided until the very last match and it was Cowes who won the runner-up shield with 13 points, just behind the winners who finished with 14 points.

Captain Stephanie Hart presented the Foursomes league shield to the team from Freshwater Bay and the runner-up shield to Cowes.
